Dear Friend:

The Point Loma Music program continues a storied tradition of providing a foundation for young musicians through camaraderie, community service and exceptional standards for musical achievement.

Help us celebrate our success! Support the 10th Annual Rhapsody on the Point at the stunning venue, Humphreys Concerts by the Bay. Rhapsody on the Point is an opportunity for the community to enjoy music in an intimate and elegant setting — and share our pride in the astonishing talent and energy of our Point Loma High School musicians.

Our program flourishes due to the dedication of our talented students and staff and our collaboration with Dana and Correia Middle Schools. We are faced with the happy challenge of a fast-growing program. “It’s a wonderful problem to have, but there are kids right now in band without an instrument to play,” said PLHS Instrumental Music Director, Carissa Mattison. “We can’t keep up with the skyrocketing enrollment and we need help from the community.”

Through your support, the PLHS Music Department can continue its legacy of excellence in music, academic performance and school spirit with a program designed to inspire and develop promising young musicians.

Help us grow! Purchase tickets to Rhapsody on the Point and/or donate online at: www.rhapsodyonthepoint.com.

Sincerely,

A handwritten signature in black ink that reads "A. Wilson".
